In 1908 the CANADA LIFE gained the largest surplus in its history, up to that time. The GAIN in 1909 is STILL GREATER by nearly $150,000.
J. O. HUTTON, AGENT, 18 MARKET STREET.

The Standard Life Assurance Company of Edinburgh Scotland

ESTABLISHED IN 1825.

Head Office for Canada, Montreal, Que.

Commenced Business in Canada 1847, Sixty-three years ago.

The Standard has deposited with the Government and with Government Trustees over $7,000,000. for the protection of Canadian Policy-holders, thus being able to satisfy the wants of Canadian Policy-holders for absolute security. : : : : :

The Standard was the pioneer in introducing the benefits of Life Assurance in Canada when there was no Canadian Company in existence. Its form of policy has never been excelled.

One pleasing feature of the Standard among others is the fact that it is the strongest Company doing Life Insurance business in Canada to-day. The accumulated funds of the Company amount to the magnificent sum of **Stxty One Millions of Dollars.**

DON'T TAKE CHANCES

Many costly gowns and suits are forever spoiled by careless cleaning or dyeing. The only way to be sure of results is to send to a reliable house who knows its business and has made its reputation.

We have been in the dyeing and cleaning business for nearly 35 years and what we don't know about it isn't worth knowing. The steady and rapid growth of every department of our business is sure proof that our customers are satisfied and continue to send their work here.

We clean or dye anything that can be cleaned or dyed. Our facilities are unequalled and our Branches and Agencies all over the country relieve you of all troubles.

In Memoriam

In every land the memory of the dead is kept green by the erection of monuments and memorials. It is a beautiful custom. "The love that survives the tomb," says Irving, "is one of the noblest attributes of the soul."

These monuments, however, that are meant to perpetuate not only the memory but the good deeds of departed friends, should be carefully chosen. Not every design is suitable. It requires the skill of an artist to produce the piece of work that will adequately express your feelings. We have made a life-long study of this work, and believe our designs and terms will please you.

The Reasonable Man

When he insures his life,
As all reasonable men do,

Wants To Know:

1. Where his money will be safe.
2. Where he can get best value for it.
3. Where he can get most advantages in one contract.

And having examined the claims of the

North American Life Assurance Company

He buys his Insurance from them

They Say Our SHOES Are The Best

¶ Our many years of Shoe retailing have taught us exactly what people want in Shoes, what good Shoes are, and where to get each particular sort made in the **BEST POSSIBLE WAY.**

¶ Our stock to-day presents a splendid variety in Shoes of every description and of every grade for Men, Women, and Children.

Better Shoes at their Prices Do Not Exist.

Equal Shoes elsewhere invariably cost more money.

J. H. SUTHERLAND & BRO.

"THE HOME OF GOOD SHOES."

HALF A CENTURY

For nearly fifty years the **WORMWITH PIANO** has been made in Kingston. It has stood the test of time - the greatest test of all. Each year sees an increased out-put. ¶ A piano, which steadily gains in prestige and favor every year, for half a century, must have merit.

The Wormwith Piano Has Merit

It has more - it has a soul, as the best musicians will testify. We do not need to dilate upon its excellencies, ask any of the thousand and more users in Kingston. They will tell you.

SOLD ON THE EASY PAYMENT PLAN
